Zone Board To Announce Finding Soon

Decisions by the Lake county zoning board of appeals on two matters of interest to the Antioch area may be announced next Wednesday, Dec. 9.

One concerns whether a permit should be granted to Mr. and Mrs. Robert H. Rosing, allowing them to set up a cemetery on 24 acres of land near the intersection of the Beach Grove road and route 59 near Emerson school.

The other would be on the petition of Mr. and Mrs. William Rosing, who asked for permission to dig a deep well and set up a water distribution system in Rosing's addition, Mrs. Rosing's addition.

Heard at the well matter in the Antioch village hall before the zoning board of appeals recently brought forth no opposition to Rosing's request.

However, 10 or so residents or would-be residents near the proposed cemetery spoke against the Rosing plan or signed petitions against it.

Under the Rosing proposal, Ernest H. Glenn of Antioch would install and operate the water distribution system with a 5,000 gallon tank and water main under roadways.

The well would be 6 inches in diameter, about 150 feet deep and the pump would discharge 100 gallons per minute. A 10 x 12 foot pump house would be installed. Plans also call for installation of fire hydrants.

Rates for water from the well would be set with the approval of the state of Illinois.

Two smaller systems are now operating in the area, Rosing said. Each now serves about nine homes under operation of Glenn.

Attorney Edward Jacobs represented Rosing at the hearing.

center, a project of the local service group.

Souvenir pictures of Santa Claus and children wishing their photographs taken with him will be taken through courtesy of an Antioch business. These will be framed pictures.

The school and its gymnasium are located at the corner of Main and Depot streets.

High School PTA Hears Frank Denison

Frank Denison, guidance counselor at Antioch Township high school, was scheduled to be the speaker at the December meeting of the high school PTA this week Wednesday evening in the school cafeteria.

He was to talk to parents, teachers and others interested on the topic "What Opportunities Are Available for Your Child After High School." The meeting was to begin at 8 o'clock.

Licenses Suspended

SPRINGFIELD—The drivers license division of the Illinois secretary of state's office announced the following Lake county persons had had their licenses suspended or probationary permits granted:

Harry H. Chillingirian of route 2, Lake Villa, and Raymond J. Kennedy of 16 Atwater Park, Fox Lake, have had their licenses suspended.

Arthur J. Yelden of 24 Riverview Drive, Fox Lake, has been granted a probationary permit.

Christmas Concert Dated High School, 4:15 Sunday

Members of the AHS Music Association are requested to attend a meeting in the cafeteria one hour prior to the concert.

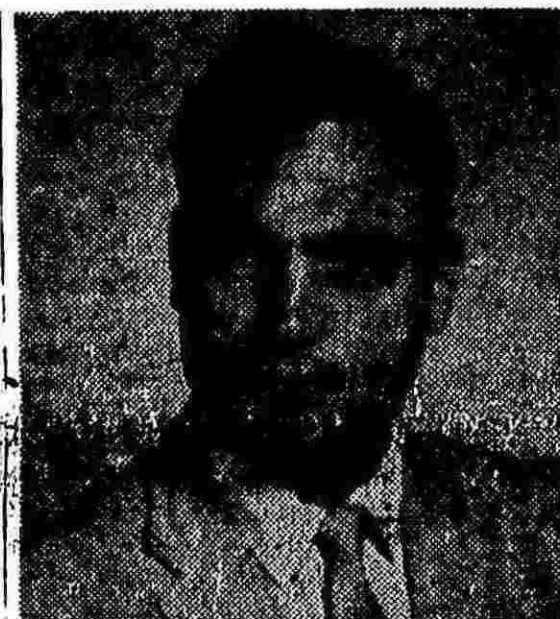

This is a very important meeting for all members.

The music department of Antioch Township high school will present its annual Christmas gift concert to the community, Sunday, Dec. 6, at 4:15 p.m. in the high school auditorium.

Admission is free.

The program will feature the senior and junior high school choirs under the direction of Ken Smouse. Mrs. Laura Young will accompany the groups during the first part of the concert.

Part I of the concert will be a choral presentation of standard Christmas anthems ranging from Saint-Saens' "Praise Ye the Lord of Hosts" (from the Christmas Oratorio) to the popular "Carol of the Drums."

Joseph T. Rush

Joseph T. Rush To Play Dec. 12 In Band Concert

Joseph T. Rush, Antioch high school band director, has been selected as one of the musicians to play in the 5th All-American bandmasters' band in a concert to be given in Chicago on Saturday, Dec. 12.

The All-American Bandmasters' band is composed entirely of band directors who are carefully selected from applicants from all over the United States and Canada to appear in concert once each year in connection with the Mid-West national band clinic.

This select group of approximately 100 directors meets in Chicago, rehearses for approximately eight hours, and presents a concert for the 5,000 music directors, school administrators and guests who annually attend this national music meeting.

The group selected to play in the All-American bandmasters' band is chosen on the basis of ability, experience and musicianship. Consequently Antioch is proud that Mr. Rush was selected for this honor.

Christmas Tree To Be Erected; Free Rides Set

"Santa Claus is coming to town," so the popular song goes—and so goes Santa in Antioch this week Saturday, Dec. 5.

Old Saint Nick will be making his first "official" appearance in the community through the help of the Antioch chamber of commerce and local merchants who are helping to lay out a big welcome.

A helicopter will do the trick of hauling the oldster from his North Pole home to the village parking lot off Broadway in downtown Antioch with his expected arrival set for 10 a. m.

Of late, of course, a sleigh with the famous reindeer might be more appropriate but with the weatherman somewhat unpredictable even for northern Illinois, the chamber decided to ask Santa to use a helicopter once again.

Children will have an opportunity to take free rides in the helicopter with six rides being available. Tickets for them may be obtained in most Antioch business houses.

The Antioch and Lakes theatres will be offering free shows Saturday starting about 11 a. m.

In addition Santa will give out candy from the Rescue Squad building or the lot nearby, depending on the weather. Children also will have a chance to talk with him at that time.

A large community Christmas tree complete with colored lights is to be erected near the rescue squad building.

This week Monday village employees erected baskets on poles in the downtown district. Two baskets to a pole contain imitation winter flowers and the baskets are lighted at night.

The baskets were purchased by the Antioch chamber with the idea that imitation flowers will be inserted in them appropriate to each season, such as lilacs in Easter, roses in the summer and the like.

Broken Toys Sought For Repairs, Giving

Girls' Athletic association of Antioch Township high school is seeking broken toys to repair for distribution to several children in the area.

Anyone wishing to donate broken toys is asked to call Miss Nary Donovan, GAA sponsor. There will be someone to pick up the toys after one calls.

Station Entered

LAKE VILLA—Money totaling \$12.80 in money rolls was taken from a cash register and a soft drink machine in the Welco service station south of route 173 on route 21 near Lake Villa.

Bruce Barnes, operator of the station, said entrance apparently was gained by breaking glass in the front door. Other items missing included brown leather billfolds and pocket knives.

\$181,818 Is Estimated Cost Of Oakwood Knolls Sewer Lines, Manholes

Antioch's village board of trustees have been given an estimate of \$181,818 for installation of about 15,000 feet of sewers and 20 manholes for Oakwood Knolls or approximately \$500 for each of the homes in the area.

David Miller, village engineer, estimated this cost at the request of the board.

He told members Tuesday evening at the monthly meeting that another \$20,000 would be the probable cost of a lift station to pump sewage from a low point at one place in the subdivision to flow into village sewers.

Broken down roughly into costs for landowners, it would represent about \$277 for each lot without a sewer connection or around \$500 for each lot that has a connection.

The subdivision contains 154 acres and 885 lots. Pipe would be 8, 10 and 12 inches in diameter and might connect with the village system through a pipe under North avenue to run south of that street across now vacant land.

Miller said the grade of land on North avenue from the entrance to the subdivision west to North Main street would prevent a connection with a sewer line under North Ave.

VILLAGE OFFICIALS have pointed out that an addition to the sewage plant will be necessary before any major addition is made to the system such as Oakwood Knolls.

At the same time, it is reported that the Willow Dale plant which was badly damaged by fire this past fall, will be back in operation about the first of the year.

Sewage from this plant's operations was taxing the local sewage plant before the fire.

The board Tuesday night voted to annex lots 1, 2, 3 and 4 of Herman Behm's Antioch subdivision.

Post Office Requests Aid

Mail early, tie your bundles securely and keep mail for Antioch and other places separated—that is the general idea of the local post office these days as the Christmas rush starts in high gear.

The local post office will be open Wednesday, Dec. 16, and Wednesday, Dec. 23, all day to take care of customers. Usually the local office is closed at noon Wednesdays.

Postmaster Roy Kufalk also asked postal patrons to put complete addresses on their letters and bundles, including the postal zone number.

"The full cooperation of the public is essential in handling Christmas mail efficiently and economically," Kufalk said.

Parcels may be marked "Do Not Open Until Christmas" so any mailed for early arrival will be held until that holiday before opening.

Mail of all kinds for distant states should be deposited at the post office before Dec. 10 and to make sure greeting cards are delivered in time, these should go for local delivery by Dec. 16.

Large business concerns, department stores and others sending out calendars and shop-early advertising are being asked to mail them before Saturday, Dec. 12, or to wait until after the Christmas mail rush.

Letters sent third class (3 cent stamp, without writing except the signature and with envelope flap folded in), cannot be returned to the sender without "return postage guaranteed" stamped on them.

These may be forwarded to the addressee but not returned to the sender.

located north of North Avenue and between that road and part of the Oakwood Knolls subdivision.

Approval of the annexation was made by the trustees subject to approval by village attorney Edward Jacobs.

The area extending several hundred feet along North Avenue contains several buildings, including houses and a large barn, among others.

The village board was asked to zone the area, if it is taken into the village, for light industry. One industry already is making plans to build in the area and another has indicated interest.

A REQUEST by the Cerebral Palsy association that it be granted a permit to solicit funds house-to-house next March 20 was approved.

Board members were told that another professional planning firm had submitted a proposal to the village. Several weeks ago a firm's plan was believed too costly.

The village is seeking a professional planner that could guide the town in the future as to zoning, building codes, industrial sites and the like.

It was announced that repairs to the scout house, also damaged by fire recently, will be completed about the first of the year. The kitchen is being enlarged with removal of the bathroom to a former closet space.

Ed Vos has donated a gas range to the scout house.

Cermak Heads Christmas Seal Drive in Town

A goal of \$80,000 has been set for the 52nd annual Christmas Seal drive of the Lake County Tuberculosis association which opened Nov. 16, according to Charles J. Cermak, Jr., of Antioch, local board member.

Contrary to popular belief, Cermak pointed out, the menace of TB is still a serious threat in Lake county.

An average of 10 active cases of TB is being discovered per month, Cermak said.

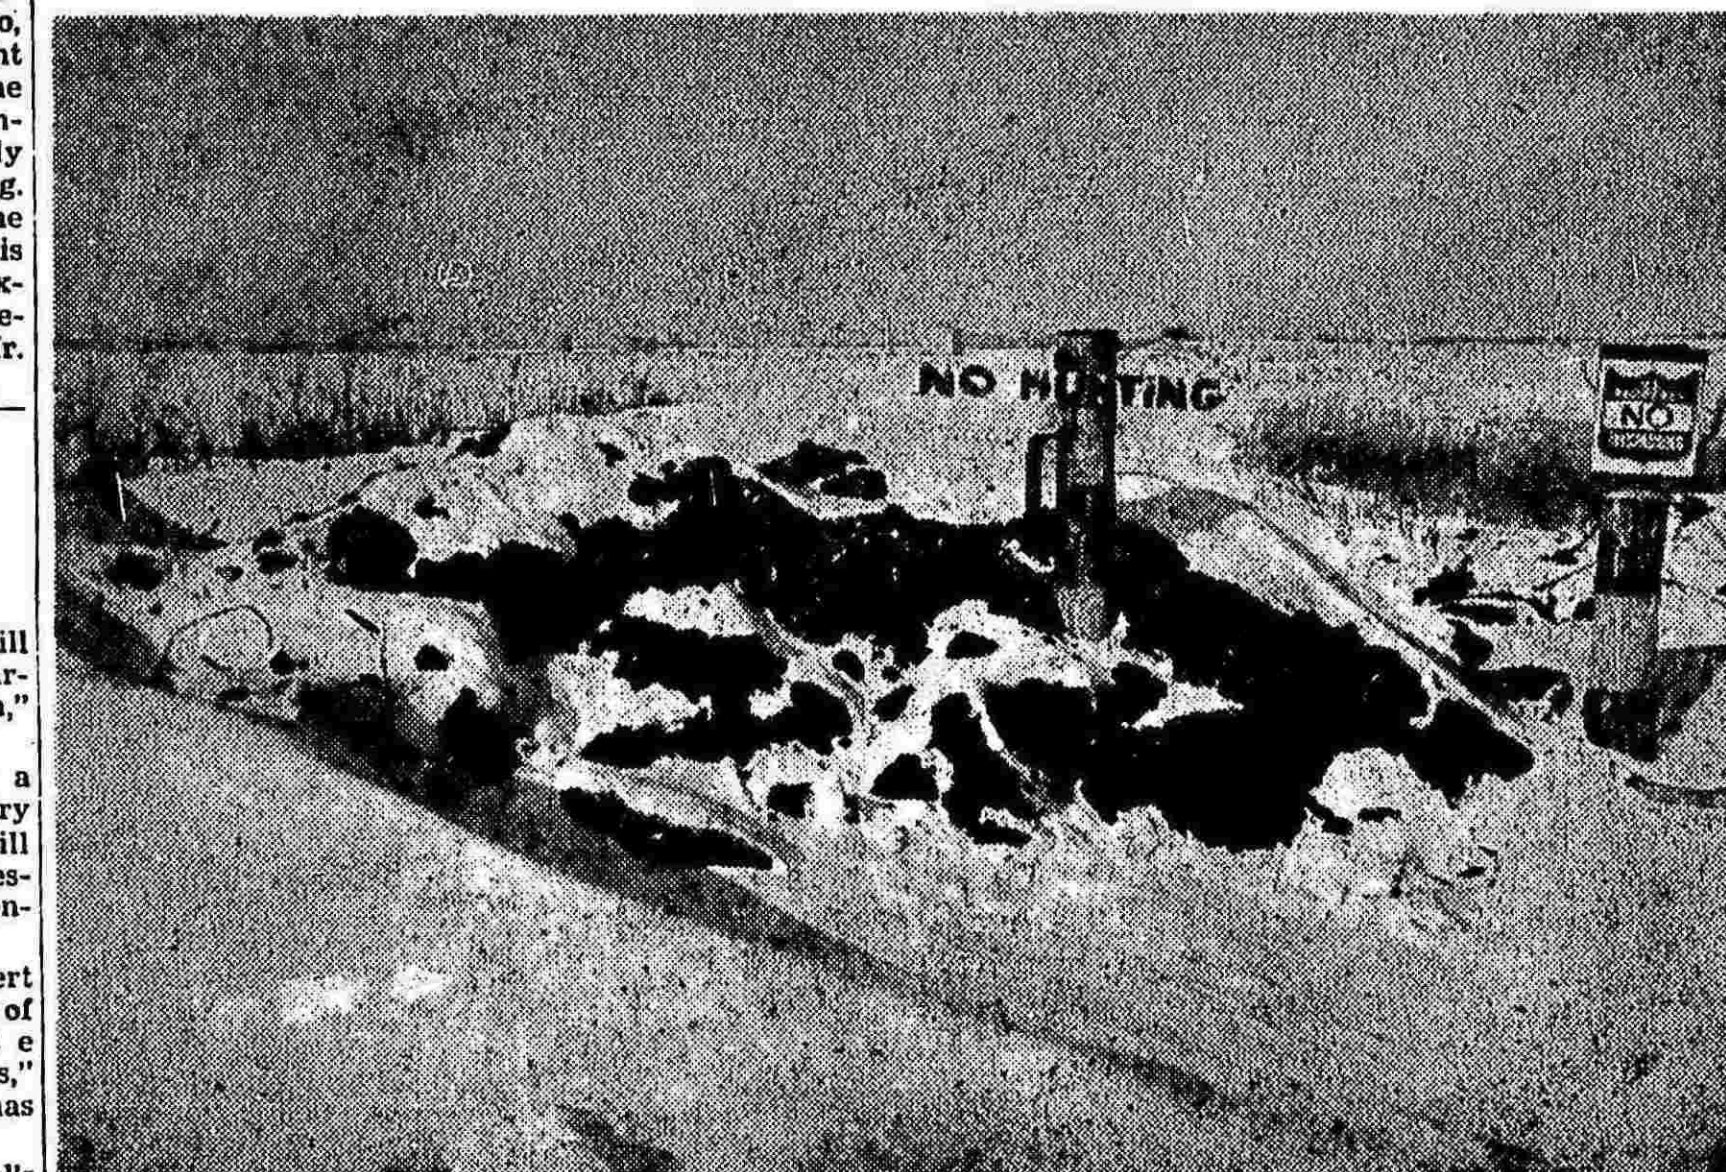

This puts Lake county second to Cook county in the number of TB cases being discovered in the state of Illinois.

Two reasons are cited by Cermak to account for the high rate: An effective discovery program by the Lake County Tuberculosis association, and the increasing influx of new population into Lake county.

Nearly all of the money received from the sale of Christmas Seals remains right here in Lake county, Cermak emphasized, with less than 16 per cent going to national and state associations.

Scott Attends Meet

Antioch police chief Walter Scott attended a meeting of the Lake County Juvenile Officers' association in Libertyville Tuesday evening. The Antioch village board has approved paying of \$10 as dues to the association.

NO HUNTING and U. S. government property signs are seen at many spots along the edge of the Bong Air Force base north of Salem, Wis. This scene is where Kenosha county route 75 about a mile north of Klenk's corners comes to an abrupt end. Signs were motorized earlier on the road of the coming end. Shown in the distance are fuel tanks and the heating plant installed for the Bong AFB, now abandoned as far as construction is concerned. It was still a question this week what finally will be done with the base. Army Engineers forces were still mending the office buildings to the north of the base but the Air Force announced in October it was cancelling its construction.

DEAR READER News Editorials

"Just Give Us The Facts"

One of the first things a rising newspaperman learns whether it is on the job or at school is the fact that fundamentally a news story can be summed up into six words—Who, what, when, why, where and how.

An analysis of any given news story whether it is in the daily paper or in a weekly publication shows these questions answered when the item is written correctly.

Looking at a newspaper picture often will answer most of these same questions or the "cutlines" underneath them will do so. These words sum up what a reader wants to know, whether it is a dinner that will be given next Tuesday night at the Legion hall at 6:30 or the bazaar that the Moose ladies presented in their hall on Main St. last Friday evening.

A contributor to this newspaper called us this week to ask if we had received an item sent to us from out of town. It had arrived at the News office and the editor already had made minor changes in it, written a headline and sent it out to the composing room.

The lady making the phone call in commenting on the item said she thought it might be too long for the paper, but she understood it was better to make the article lengthy than to make it too brief.

Her reasoning that the editor would and could "edit" it to fit the space available was correct. Usually it is better to have a news item too long for the news columns than it is to find it too brief.

It is the facts that a newspaper needs—the who, what, when, where, why and how of what has happened or is going to take place. If your news item covers all six of these or more of them, your article is complete.

People have said that it takes all kinds of people to make up this world of ours, and it truly can be said that it takes all kinds of news items to make up a newspaper people like to read.

If you think you have a news item you think is of interest whether it is about your club, your mother-in-law visiting or the fact you were elected secretary or president or sergeant-at-arms or what ever of your card club, lodge, women's society, etc.—just write or phone us the facts.

Pictures are always welcome. The News makes it a point of publishing a large number of photographs each week and on a variety of subjects. Photos whether snapshot size or professional, must be in by early Tuesday mornings.

A newspaper has been called a "mirror reflecting the doings of people, their aims, their pleasures and their troubles."

While the newspaper is a private enterprise just as is your store, or your factory, or your office business, the newspaper is also a public servant, dedicated to the public's service in advertising and news coverage.

"Just give us the facts—we will do the rest."

Garden Club To Hear Winner Of Several Honors

A very interesting meeting has been arranged for the members of the Antioch Garden club, which will be at 1 p.m. Tuesday, Dec. 8, in Wesley hall of the Antioch Methodist church.

Mrs. Ruth Emerson Kistner, blue ribbon and tri-color winner at the International flower show which is held in New York City each year, will be guest speaker.

Mrs. Kistner has lectured to countless garden clubs throughout the United States. She is an authority on 18th century flower arrangements and has a collection of flower containers of this period.

Her flower arrangements are made in full view of the audience and her ability to condition plant material enables her to take her own flowers and foliage with her and to work with them for many days.

Her book, "Flower Arranging for the American Home," has enjoyed a wide sale and is now in its fourth printing.

For the past three years, Mrs. Kistner has given a course in flower arranging at the University of Southern Illinois and students are given college credit for their work in this course.

The Garden Club program committee feels it is quite fortunate in securing the services of Mrs. Kistner.

Members are sure that all members of the club will want to see and hear this very interesting personality.

Gala Party Planned For Altar Society

The Altar and Rosary society of St. Peter's church is planning a gala Christmas party and meeting on Monday evening, Dec. 14.

Highlight of the evening will be a one-act play titled, "Bundles for Christmas," which is a hilarious comedy.

Mrs. Leonard Madden is director. Those participating are Mrs. Anthony Scully, Mrs. Joseph Sterbenz, Jr., Mrs. Thomas Pechousek, Mrs. Edward Jacobs, Mrs. Anton Stanich, Mrs. Donald Gaa, Mrs. Glenn Pierce, Mrs. Robert Mortensen and Mrs. Joseph DeStefano.

Potluck Is Enjoyed At Men's Night Meet

Mrs. Clarence Spiering and Mrs. Ray Boller were co-hostesses for the men's night potluck supper of the Antioch Garden club at the Spiering home Nov. 23.

All who attended were awed at the beautiful table, both decoration-wise and food-wise.

The Spierings' slides on gardens of the world proved to be very interesting and they also showed slides of members' gardens.

The showings were enjoyed by all those present.

License Plates Are Being Mailed

SPRINGFIELD—Over the counter sale of 1960 Illinois motor vehicle license plates began Tuesday at the three new Chicago super-stations.

The new facilities are located at 5301 Lexington street, 5401 Elston avenue and 9801 South Parkway. Hours are from 8:30 a.m. to 4:30 p.m. weekdays and from 8:30 a.m. to noon Saturdays.

The facilities are designed to speed up the issuance of license plates to applicants, secretary Carpenter said.

Mailing of the 1960 plates started the same day in Springfield. During the early weeks of the licensing period, plates will be mailed in numerical order.

This procedure is necessary because of the limited space available in the Centennial building to store plates.

Antioch Residents Injured in Accident

TREVOR, Wis.—Two Antioch residents and one from Chicago reported injuries in a two-car collision on county highway C near Trevor Sunday morning, Kenosha county sheriff's deputies reported.

Joseph Pechulis, 62, of Antioch was driver of one car and Mildred Tukowski, 37, of Chicago, was operating the other. Mrs. Tukowski reported suffering injuries to her side, ankle and arm, and was shaken up.

Two passengers in the Pechulis car, Mary Pechulis, 43, of Antioch, and Mrs. Richard Huml of route 1, Antioch, were shaken up.

Deputies said the Tukowski car was traveling east when it went out of control on some ice and skidded into the Pechulis auto, which was headed west.

\$50,000 Damage Suit Filed by Trevor Man

TREVOR, Wis.—George W. Rupp, Sr. of route 1, Trevor, has filed a damage suit in Kenosha circuit court asking \$50,000 damages for injuries he said he suffered in an accident June 13 at a Wilmet race track.

Rupp said he suffered a compound fracture of the right leg and other injuries when a Stock car crashed through a fence at the track and struck him while he was watching the race.

Being sued are Patenjim Auto Racing, Inc. of Milwaukee, promoters and sponsors, and the Kenosha County Fair association, owners of the track.

The Trevor man claims the defendants were negligent in that the curve of the race track was improperly graded, the guard rail was inadequate, there was no warning sign and an insufficient number of police or employees were on hand to warn and safeguard patrons.

Boys, Girls Enjoy Bowling Saturday at Local Alleys

Saturday afternoons from 12 noon to about 3:30 are filled with shouts, laughter and talk of boys and girls of the "Bantam Bowling League" at the Antioch Recreation alleys on route 173 near Antioch.

Two leagues are in action. The first "12 o'clock" begins at noon and the second, known as the "2 o'clock" begins at that hour.

Four boys and/or girls on 10 separate teams make up one league and eight teams of four bowlers each make up the other loop.

The noon loop is sponsored by the Pepsi-Cola company and King-Lite Shirts.

Sponsoring the 2 o'clock league are Elliott's Chuck Wagon, Skinny Cepretsen, Art Wertz Well Drillers, Star Chips, Kayo Soda and C. L. Anderson, all of Antioch and vicinity.

Mothers who are helping in one way or another with the two leagues, especially as scorers, are:

Mrs. Elaine Grumbeck, Mrs. Una Fox, Mrs. Pearl Grumbeck, and Mrs. Elaine Camphouse in the 12 o'clock league. Also aiding is Robert Bolton.

Scorekeepers for the 2 o'clock circuit included Mrs. Alto Christensen, Mrs. Fred Koch, Mrs. Holm, Mrs. Curly Wertz, Mrs. Kay Keulman.

Mrs. Jeanette Westhoff is secretary and organizer of the two leagues, with Mrs. Jack Sampayo and Art Wertz as instructor.

Boys and girls and the teams they bowl with include:

Coach Larry Leon of the ATHS Sequoits was pretty well pleased with the way his charges looked against Mooseheart Saturday evening.

This was particularly true of the team shooting and its ability to score points, considering this was the first game of the 1959-60 season.

He attributed a lot of this ability to ring up points to experience with four lettermen and one other player who just missed making a letter, back to live things up for ATHS foes.

Leon said he was disappointed in the showing of the Sequoits in the fourth quarter when he inserted reserves to take over and gain experience. However, he feels that the less experienced youths learned much.

Insertion of the reserves gave them experience for which to Leon's way of thinking (and most everybody else in sports), there is no substitute.

Everyone on the varsity squad saw action.

A prime weakness noted by the coaching staff was in defense and chances are this week Friday evening the Sequoits will have to be tough in this department against Lake Forest.

Lake Forest is rated among Northwest Suburban conference coaches as "the team to beat" if any other school wants the league championship.

Antioch, on the other hand, is termed a top contender for high honors.

Coach Leon was working his charges hard this week on defense and hoped to match the strong Sequoit offense with a strong defense.

Lake Forest's varsity will average in height about the same as ATHS—6 feet, so there will be little difference in size between the two.

The visitors here Friday night will have good speed, perhaps an edge on the Sequoits in that department, Leon reported.

They are an aggressive bunch and play the game hard from start to finish.

Monday Night Owls November 30
Peterson TV had high team series, with games of 939-836-1015 and a total of 2790.

Chuck Moran was high individual scorer with games of 221-197-222 for a 640 total.

Peterson TV won two games from Sail Inn.

Wally's Channel Inn beat Chase's "60" Service all three games.

Nick's Shell Service won two from Four Aces.

John's River Inn won two from Lyons-Ryan Ford.

Taylor's Shoe Store took two from Klass Men's Store.

Eckhoff Gas Co. won two from Old Orchard Inn.

76-62 Victory Taken Saturday By Local Team

Antioch high's Sequoit cagers will host the Lake Forest team in their Northwest Suburban conference opener on the ATHS floor Friday evening and travel to North Chicago high for a non-league affair Saturday night.

A preliminary between B squad teams from both schools will open the festivities here at 7 p.m. Friday.

Antioch Township high school's 1959-60 edition of basketball teams showed scoring power last Friday evening as it trampled over Mooseheart 76-62 on the local floor.

Actually the game was somewhat more one-sided than the score might indicate with the Sequoits taking a 23-14 lead at the first quarter and never being in serious trouble.

Only in the final stanza did the visitors outscore the youths, coached by Larry Leon and that came when the local mentor had inserted reserves.

Jerry Dahlman of the Sequoits continued his high-scoring success of last season by being high point man against Mooseheart. His 22 points, 18 by Don Pyles and 11 by Bob Martin gave them high scoring honors.

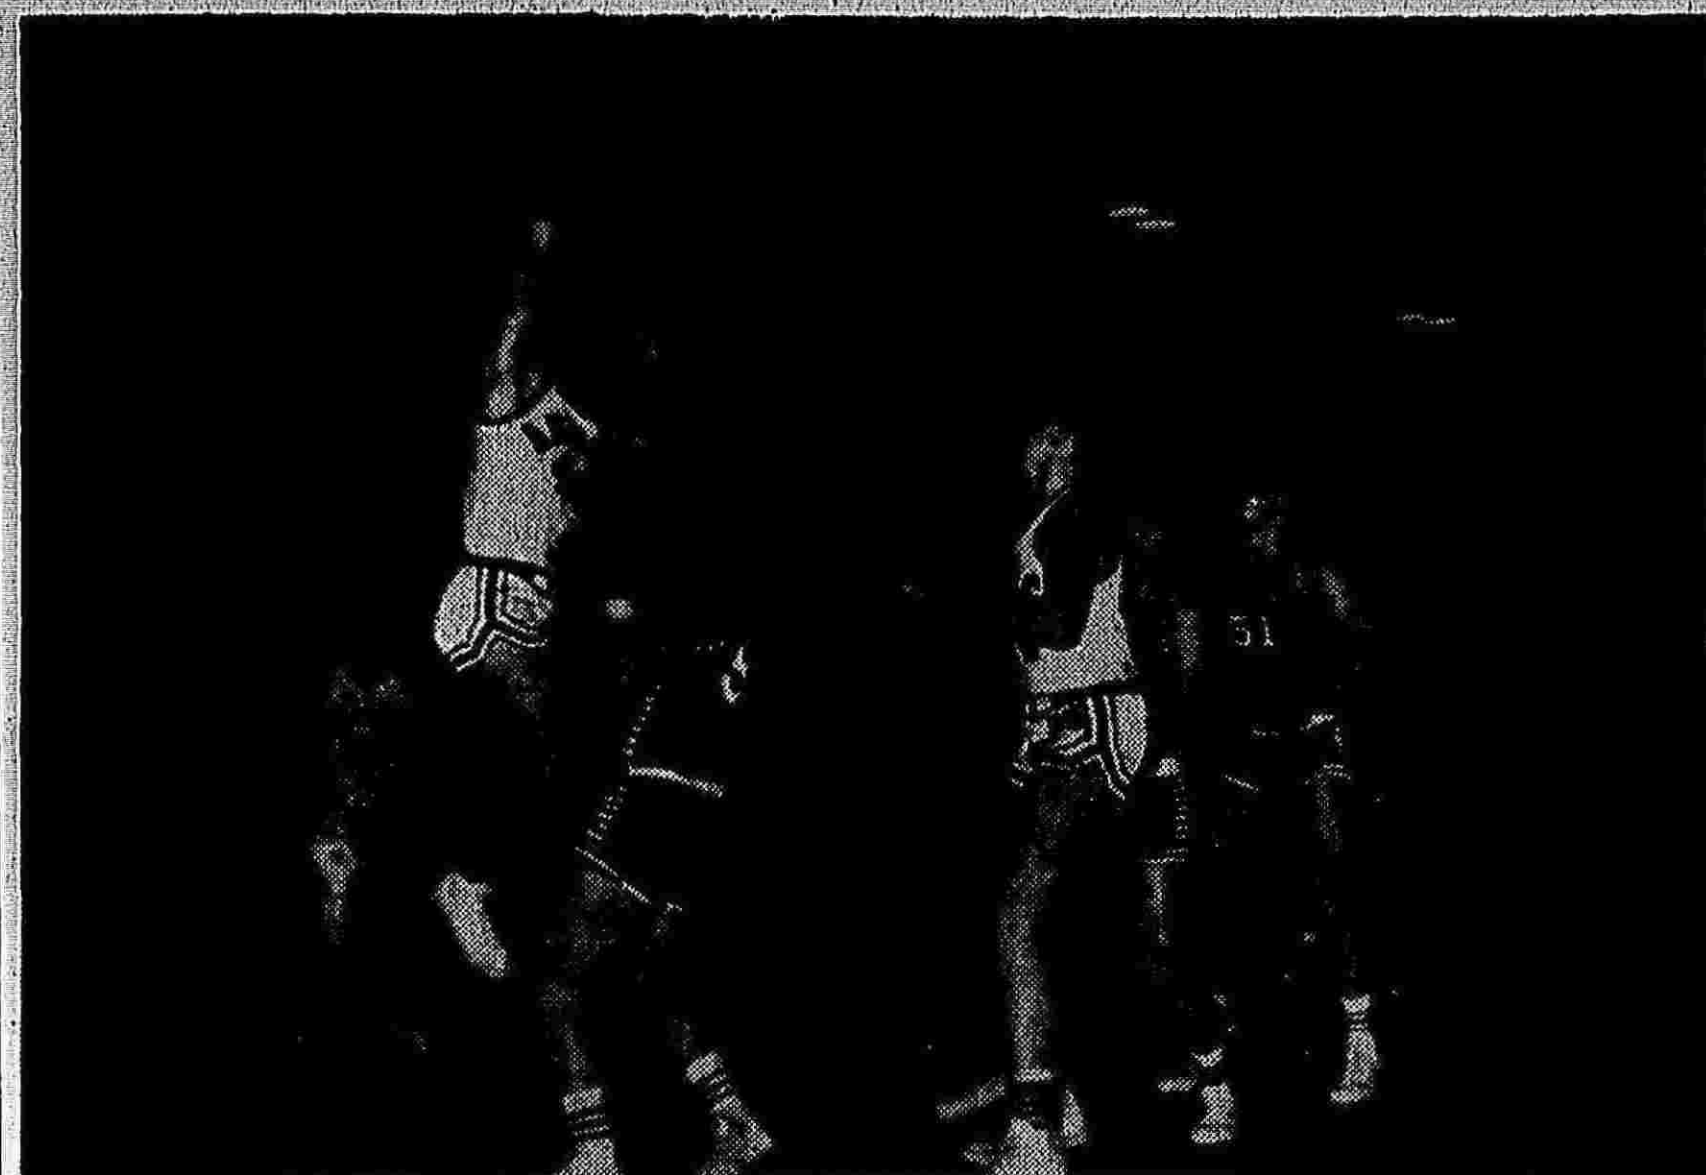

Antioch led at the half time pause 49-34 and at the three-quarter mark by a 67-42 bulge.

SEVENTY-ONE percent shooting from the free throw line with 22 points in 31 tries helped the Sequoits no little, while a 43.5 percentage from the floor on 27 field goals made in 62 attempts was good, too.

Mooseheart made 18 out of 34 free throws for 52.9 per cent and sunk 22 out of 57 field goals and a 38.6 percentage.

Rebounding work by Antioch showed 13 on offense and 26 on defense for a total of 39, outdoing their foes who had 6 on offense and 12 on defense for an 18 total.

Pyles and Dahlman each with 6 free throws sunk out of 7 tried and

LOTS OF ACTION is shown in this shot taken at the Antioch high vs. Mooseheart non-conference basketball game played last Saturday evening on the local floor. Don Pyles (40) of the Sequoits is shown under the Mooseheart basket going up for a shot (note ball just above his hand and to left of basket net). Pyles with Jerry Dahlman (in white shirt at right) were the top scorers for the ATHS quintet. No. 32 in white uniform at the left is Les Herbst, junior guard for the Sequoits. Antioch won the game easily although the final score was relatively close. (Antioch News photo)

B. Martin, who sunk three out of four attempts, were tops in that class.

A CROWD of around 600 persons sat in on the proceedings, the first game of the season for the Sequoits.

While the game was a bit ragged at times and defense was almost nil on the part of both teams, Antioch showed promise as a top contender.

Antioch scoring:

Pyles—6-6-4; Herbst 1-1-4; B. Martin 4-3-1; Dahlman 8-6-4; Wolf 3-2-3; Gudgeon 2-0-4; E. Martin 2-0-0; Hunsaker 1-2-4; Elliott 0-2-1. Totals—27-22-25.

Mooseheart—Fulk 2-0-5; Cescellus 2-0-5; Patterson 1-4-3; LaRoche 8-7-1; Keenan 8-6-3; Heinlien 1-1-2; Schmith 0-0-2. Totals 22-18-21.

Central Hi Tops Wilmot, Delavan In Cage Contests

PADDOCK LAKE, Wis.—Central high of Salem found little trouble in subduing Wilmot high in a non-conference basketball game on the Paddock Lake building's floor Tuesday evening by a score of 67-35.

The victors were ahead 15-3 at the first quarter buzzer, 36-11 at the half and 52-33 at the third quarter pause.

Central is scheduled to meet Waterford on the Salem high-school floor this week Friday evening in a conference game. A B squad contest at 8:45 will precede the varsity struggle.

In the reserves game Tuesday evening between Wilmot and Central, the Salem boys won a close one 30-21.

The varsity scoring:
CENTRAL—Gentz 0-1-2; Foulke 0-3-1; Erickson 1-2-2; Lentz 0-0-2; Westman 0-0-0; Neu 1-4-0; Straulin 1-2-3; Krawczyk 5-4-3; Schulz 2-1-2; Weidner 3-0-1; R. Yates 10-4-2; D. Yates 0-0-2. Totals 23-21-20.

WILMOT—Held 4-0-4; Dicklin 0-4-0; Harmon 2-2-5; Yuknis 0-0-1; Jeffers 0-1-0; Rathech 2-2-4; Bush 3-0-5; Roberts 2-0-5. Totals—13-9-24.

SALEM, Wis.—Salem Central high school's Falcons found little difficulty after a rather slow first quarter, in downing the Delavan-Darien high school quintet 70-45 on the latter's floor last Saturday.

This non-conference contest saw the falcons behind 16-13 as the first quarter ended, but they rallied to outscore their foes 19-6 and enjoy a 32-22 lead at the half time buzzer.

Salem also outpointed its foes in the second half with the scoreboard reading 21-17 in the third quarter and 17-11 in the final stanza.

The Falcons "caught fire" in the second quarter and were ahead from then on all the way.

Ron Yates and Krawczyk were top scorers for the Falcons with 18 and

16 points respectively.

This was the third victory against no defeats for Salem Central, including an undefeated record in the Southeastern conference. As of Monday of this week, the Falcons were tied with Union Grove for first place.

Central has defeated Williams Bay and Norris in league contests and Delavan-Darien in non-conference games.

In the preliminary last Saturday evening, the Falcon reserves were upset by Delavan-Darien 29-28.

Varsity scoring:

Salem—Gentz 0-0-0; Foulke 5-2-2; Erickson 2-0-2; Lentz 1-2-0; Westman 0-0-0; Neu 0-1-2... Straulin 3-2-2; Krawczyk 5-6-4; Schulz 2-1-1; Weidner 0-0-1; R. Yates 7-4-2; D. Yates 1-0-1—Totals 26-18-17.

Wilmot Five Tops Alumni

WILMOT, Wis.—Wilmot high's varsity broke open some record books last Friday evening as it dumped an alumni quintet 47-44 in a close one.

It was only the second time in 13 years that the varsity has come up with a victory over the grads.

The undergraduates piled up a 14-3 lead and held on for dear life until the final minute or less of play in the game when the alumni went into the winning column by 43-42.

Jim Rathech scored two free throws and a basket by Norm Roberts put the game on ice for the school boys.

Scoring for Wilmot high were Jeffers with 6 points, Rasch 9, Roberts 9, Rathech 9, Bush 12 and Dicklin 2.

Wally Skora tallied 9 points and Wally Partenheimer 6 to pace the alumni quintet.

Other grads playing were Gaynor with 3 points, G. Amborn 2, D. Timmer 4, Bauman 2, Benedict 4, Jeffers 1, S. Skora 4, Norstrom 4, Swartz 2, McKee 4.

Scouts Win First League Game 74-62

Antioch Scouts semi-pro basketball team finally appeared in the victory column of the 1959-60 season when it defeated Fox Lake 74-62 in one game of a tripleheader played at the Antioch high school gym Sunday afternoon.

Manager Tom Poulos of the Scouts used everyone on the bench in the game in a "team effort" for victory. After a close first half, the Antioch team "went to town" for a good sized lead at the final whistle.

Before last Sunday's clash the Scouts had lost four in a row, two in Land O' Lakes league play and a pair in non-league.

In other loop contests played here on the Sabbath, Richmond continued in the undefeated class by upsetting Grayslake and Round Lake took the measure of Wauconda.

League action goes to Round Lake high school this coming Sunday, Dec. 6, with the Scouts meeting Round Lake about 4:20 in the afternoon finale. Fox Lake plays Grayslake in the opener and Richmond vs. Wauconda in the middle.

Next Wednesday evening, Dec. 9, the Antioch team will meet Woodstock at the Antioch high gym in a non-conference game.

Scoring for the Scouts this past Sunday were Pregoner with 10 points, Smejkal 13, Wilton 2, Baird 9, Gallagher 10, Reckers 13, Parker 7, Behrens 7 and Brownlee 3.

Bulldogs Drop Cage Contest

By Jim Glendening
Grant High Reporter

FOX LAKE—In the second game of the 1959-60 season for the Grant high battling Bulldog cagers, Notre Dame of Niles emerged victorious 43-38 in the contest played at Grant.

It was closely and hard fought, however, that wasn't decided until the closing seconds of play.

Led by Frank Riley, the Bulldogs sported a 25-21 halftime advantage. The Notre Dame team made its comeback in the third quarter, scoring 13 points to 5 for Grant.

And although Riley was forced to sit out most of the third period with four fouls against him, the Bulldogs fought spiritedly.

With less than 3 minutes left to play, Grant closed the gap to 39-37, but the Dons played control basketball and ate up the closing seconds.

Top point maker for Notre Dame was Hammerly with 14 counters, while Riley with 18, including 10 from charity line, led the Bulldogs

"Health and Welfare of Our Children" was the theme of a membership meeting of the Lake county council of Parent-teacher associations, held at Spaulding school on Dec. 3.

The program featured Mrs. John W. Boegen and Dr. Arthur G. Baker. Mrs. Boegen, who is program co-chairman of the Council, reported on "1960—Golden Anniversary—White House Conference."

Violin Numbers Will Highlight Dec. 5 Concert

The Waukegan Philharmonic society will feature Angel Reyes, professor of violin at Northwestern university as soloist with the orchestra on Saturday, Dec. 5, at 8:15 p.m.

It will be held in the Little Theatre of Waukegan Township high school, which is one block west and one block south of the Edison court station of the North Shore line in Waukegan.

The chorus, directed by James Sanford, will sing "Fanfare for Christmas," "The Shepherd's Story," Waring's arrangement of "The Night Before Christmas," and other seasonal selections.

The orchestra will accompany Reyes in Max Bruch's Concerto for Violin in G minor, and will also play "Vorspiel from Die Meistersinger" by Wagner, and "Toccata" by Frescobaldi-Kindler.

The society said season memberships and single admissions will be available at the door.

Season memberships will admit holders to the Feb. 27 concert in the new high school auditorium and the spring operetta, as well as the Dec. 5 concert.

Loon Lake Man Killed

Stephen Kiefer, Jr., 32, of route 2, Antioch, was killed when his car rammed into the rear end of a truck on the Skokie highway near Grand avenue last Friday night.

Gurnee police said that the truck being operated by Royal F. Cadotte of Green Bay, Wis., had pulled off the road to aid another trucker involved in a less serious accident.

Impact of the crash into the Cadotte truck wedged the Kiefer car under the truck and had knocked a semi-trailer's rear wheels out of line. Kiefer was pinned in the wreckage and apparently died instantly.

Kiefer's body was shipped to Michigan for services and burial. He had been a resident of the Loon Lake area near Antioch. He was unmarried. His only known survivors are his parents in Michigan.

LAUGHTER CAME OFTEN when the junior class of Antioch Township high school presented the three-act comedy "One Foot a Heaven" in the school auditorium on two recent evenings. Shown in this photo taken in the first act are, from left, Brian Hay as Major Cooper, Bonnie Reed as Mrs. Sandow, Dan Conrad as Rev. William H. Spence and Karen Lightsey as Mrs. Spence. The scene is before the Rev. Spence family has settled down and had things organized in their new parish and parsonage. Miss Ruth Nickelsen was the director.

"Antioch Hi Chatter"

By Mario Jarden
Antioch High Reporter

Now that the football season is over, everyone is looking forward to the basketball season.

The games inside are always more enjoyable (they're warmer), and I must add more understandable for those who can't seem to understand football.

Good luck to the Sequoias in the busy season ahead, and here's hoping this season brings the conference champ title to Antioch.

Congratulations to the team on the win over Mooseheart.

Nov. 13 and 14 the editors of the Tom-Tom and the Sequoia and their advisers, Miss Cleo Hueber and Lawrence Eggleston, went to the University of Illinois for a journalism convention.

The weather seemed bad, and hope dimmed for the trip, but the adventurous journalists dared make the trip.

They found that after getting a little way away from Antioch the roads weren't so snow laden and slick.

In fact while Antioch was blanketed under a torrent of snow Friday, it was raining in Urbana.

Friday morning and afternoon were filled with conferences, as was Saturday. In the evening, on Friday there was a funfest for all the high schoolers at the ISHSPA convention. These letters stand for Illinois State High School Press Association.

For anyone interested in journalism this convention was very helpful, and also a lot of fun. Many ideas were gained for the 1960 Sequoia, and the Tom-Tom, and these ideas will be used to make them better than ever.

On November 12th and 13th the senior girls had a pleasant surprise. Instead of Miss Nary Donovan, their physical education teacher was Mrs. William Baird.

Of course all of Miss Donovan's classes had Mrs. Baird as a substitute while Miss Donovan was away at a P. E. convention, but it was more of a surprise for the seniors.

Mrs. Baird taught the '60 graduates when they were frightened little freshmen, and it brought back some pleasant memories.

The Antioch high school band, under the direction of Joseph Rush presented its first concert of the year Sunday, Nov. 15, at 4:15 in the high school auditorium.

The Antioch high school dance band was introduced to the public, and it played four numbers.

On the night of Nov. 10 FHA held its installation of officers. At the installation the girls and their mothers were entertained by a style show of hats made by the FHA'ers and modeled by their makers.

The evening was brought to a close with refreshments in the home ec room.

Each of the newly installed officers received a red rose, the FHA flower.

Recently the homemaking department scheduled a tea in the

home ec room. Parents and teachers were invited, but because of the bad weather it seemed the teachers far outnumbered the parents.

It's too bad the snow came so suddenly.

School is back in session after four days of Thanksgiving vacation, and everyone seems a little groggy on the old routine of a regular school day.

The junior class play of a few weeks ago was truly a big success. Everyone enjoyed the young thespians' efforts, and there were full houses both nights.

This Thursday the G.A.A. clubs from Antioch and Grant are planning a playday. It should be a lot of fun for the two rival schools to get together and really have a "riot."

Lotus Woods and Wildwood News

By Mrs. Jean Wrona

Happy birthday to the following people of Lotus Woods: Mrs. Dorothy Striblen, Dec. 1; Mrs. Millie Groh and Mark Striblen, Dec. 5; Mr. Richard Striblen, Dec. 6; Mrs. Marilyn Erickson, Dec. 7.

Happy anniversary to Mr. and Mrs. Froome whose anniversary is Dec. 6 and to Mr. and Mrs. Stanley Kutyna who will celebrate theirs on Dec. 8.

Everyone is invited to attend the ceremonies of the dedication of the new Marian Central Catholic high school Sunday, Dec. 6, at 4 p.m., at Woodstock.

Congratulations to Mr. and Mrs. Leo Zuliger of Fox Lake Vista who became proud parents of a daughter, Bella Marie, on Nov. 17.

The Fred Wrona family spent Thanksgiving day in Chicago at the home of Mr. and Mrs. Adam Gray, where a family reunion was held.

Paul and Martha Zych were dinner guests of the Richard Striblen family on Thanksgiving day.

We welcome Mr. and Mrs. Carl Floer, Jr., and family, who recently took up residence in Lotus Woods.

The Poker club of Lotus Woods and Wildwood met last Friday night at the home of David Jones of Lotus Woods.

Belated birthday greetings to Carol Jones who was 6 years old on Nov. 29, and to Evelyn Thompson, who celebrated her birthday on Nov. 30.

Now is the time to make certain that the car heater, defroster, and windshield wipers are in perfect working condition. You can't drive safely if your vision is obscured by snow, ice, or a foggy windshield.

More Books Contributed To Library

A new edition of Hans Christian Andersen's beloved fairy tales, called "Seven Tales," has been translated by Eva Le Gallienne.

Many of the old favorites such as "The Steadfast Tin Soldier," "The Ugly Duckling" and "The Princess and the Pea" are included.

"The Little Horse That Raced a Train" is an exciting adventure tale of a little boy's train ride in the Rocky Mountains and of a snow storm that brought him a beautiful horse called Lightning.

Syd Hoff writes about an affable gorilla in the new "I Can Read Book." The gorilla's name is Julius and he comes to America to join the circus.

"Father Bear Comes Home" is a gay tale about a bear family which first graders can read for themselves. It was written by Else Minarik and gaily illustrated by Maurice Sendak.

"The Three Happy Lions" face a problem when it is decided that Francois, the baby of the lion family, must be trained for a career. Louise Fatio solves the problem happily when Francois takes up gardening.

All of the above books were presented to the Antioch Township library in memory of Gary Cunningham.

The Rockwell's "Complete Book of Roses" will enable the amateur to grow vigorous, full-bloomed roses.

How-to-do-it closeups, supplemented by line-drawings, make the step-by-step instructions so plain that anyone can be rewarded with success in growing and propagating these favorite flowers.

"The Complete Book of Roses" was given in memory of Mrs. Ernest Brook.

In "Act One," the brilliant American playwright, Moss Hart tells of his childhood and early manhood and of his love for the theater.

His candid tale of the production of his first Broadway play, "Once in a Lifetime" is required reading

Malcolm Shroyer Seeks Post as State Senator

Malcolm Shroyer of Hawthorn Woods has announced his candidacy for state senator from the 52nd district on the Republican ticket.

In his announcement he said that he has no "axe to grind nor special interests to serve at the expense of my constituents. One cannot serve two masters."

A graduate of the University of Illinois and a flyer in the first World War, Malcolm Shroyer, with his wife, Frances, and four children, has lived for 25 years on a farm in Elia Township.

He is a trustee of the Village of Hawthorn Woods and president of the Southwest Lake County Civic Improvement association.

In addition to his active participation in community and civic affairs, he has served on school boards in Elia Township, is president of the church council of the Long Grove Community church and is a member of the Farm Bureau.

Extensive travel in this country, Mexico, Europe and the near and far East has given him an opportunity to study and evaluate conditions both inside and outside this country.

A year ago he retired from Sears, Roebuck and company, where he was an executive for more than 20 years.

Shroyer believes that "the job requires a full-time effort and that the state senate, now comprised largely of lawyers, needs members who will contribute a more representative constituency."

"I have no outside interests in conflict with the best interests of my constituents."

He adds that "with my background as a business man, farmer and community worker, I believe that I will give the 52nd senatorial district a more vigorous and faithful representation than it has been receiving."

for all ardent followers of the theater.

"Act One" was presented to the library in memory of Dean Williams.

"The Atlantic Book of British and American Poetry" is the life work of a master reader and a major poet, Dame Edith Sitwell. Dame Edith has written charming prefaces to the various sections of this big volume which includes her favorites from before Chaucer to the present.

"The Atlantic Book of British and American Poetry" was given to the library in memory of A. G. Hughes.

Boy Scouts Go Camping In Wisconsin

Fourteen boy scouts of Troop 92, Antioch, with three of their leaders enjoyed a camp out at Green Bay, Wis., Saturday and Sunday, Nov. 21 and 22.

The group left Friday evening, and arrived at Green Bay in the wee hours of the morning. After an 8:45 breakfast call, the boys spent the morning putting up tents and having a look around.

After lunch and a much needed rest period, the boys took hot coffee and rolls to some hunters in the woods, and then returned for supper and a song fest. Another snack, cracker barrel to the boys, and then came bedtime.

Sunday breakfast call was at 7:45, to be sure to get to church on time. After church the boys broke camp and two leaders, Bud Dillen and Lowell Gier, went hunting and fortunately shot a deer.

Two o'clock, and time to leave for home.

A stop was made at Manitowoc on the way.

Jim Horton, leader and bus driver, assisted by the lucky deer hunters, took as passengers Hugo Holbek, Ron Creal, Jim Larson, Greg and Rob Leksich, Neil Taylor, Clem Haley, Jim Neyrinck, Bill and Chuck Groeninger, Frank Szymanski, Jim Gier, Bill Johnson and Rich Sorenson.

Christmas Bazaar, Dinner Slated At Shangri-La Community Center

By Mrs. Elmer Joachim

SHANGRI-LA WOODLANDS, Wis.—St. Scholastica's parish, seeking funds for building a church structure, will hold a Christmas bazaar and dinner Sunday, Dec. 8, at the Shangri-La Woodlands community center.

This center is located between highways 83 and 45, off the Wilmot road (highway C). Turn on county highway V which is one mile east of highway 83, and then turn south about two miles.

Signs will direct people to the building. The dinner will be served starting at noon.

Here in Kenosha county we have an ambitious parish which could well be considered an example to all of us.

At present it is working hard for a church building and has been doing so ever since last July 5 when it outgrew rented facilities at the Benedictine Abbey.

IN ITS DESIRE to establish a parish, no job is too strenuous and no favor is too great to ask of any one of its members. Parish members have proven again and again their worth and abilities and sincerity in every fund raising event that has been presented to them.

It is not unusual to find the men running the kitchen and dining room whenever the call goes out for reinforcements from the women.

Since the women are going to be occupied with the bazaar that is once again the case this time, the men have offered to cook and serve a delicious buffet dinner for this happy occasion. In case there is any doubt about the abilities and capabilities of the men, one has only to remember the Mother's Day dinners of the past three years (which are always an advance sell-out).

They have been prepared and served to the mothers and wives in the grandest style.

AND SO NOW, their plans are nearing completion for St. Scholastica's first Christmas bazaar and dinner to be held Sunday, Dec. 8, at the Shangri-La Woodlands Community center.

Chairmen for the dinner are Gilbert Elselder, Jack Kavanaugh and Elmer Joachim.

The bazaar is under the chairmanship of Mrs. Felix Elfering with Mrs. E. Schmelling and Mrs. William Wayda acting as vice-chairmen. The bazaar is under the auspices of the Altar and Rosary society of the parish.

The ladies have prepared a large array of Christmas gift items and goodies, among them homemade pillowcases, aprons, hankies, stuffed animals, centerpieces, doll clothes and many more home made novelties.

A baked goods booth promises to be well stocked with Christmas

cookies, coffee cakes, fruit cakes, Christmas stollen, homemade bread, cakes, pies, plus all kinds of home made candies.

The committee assisting at the various booths is as follows:

Aprons—Mrs. Felix Elfering, Jack Kavanaugh, Matt Ruzicki; Pillow cases—Mrs. Ed Wareham, Gil Elselder, Stanley Jozapaitis; Hankies—Mrs. Emily Carney, Francis Held, John Pawlowski; Stuffed Animals—Mrs. Noel Elfering, Victor Gale, William Wayda; Centerpieces—Mrs. Claude Epping, Sven Anderson, Ernest Kraak; Doll Clothes—Mrs. Arnold Schoncheck, Walter Springer; Cook Book—Miss Marie Greslik, Walter Wierzgac and John Goetz; Bakery Goods—Mrs. Roy Bolton, Albert Beyets, Henry Anderson, Georgiana Plunkett.

Florist Shop—Mrs. Rose Clark, Mrs. John Jenna; Card Shop and Gift Wrapping—Mrs. Elmer Joachim, Errol Schmelling, Norbert Hansen and Mrs. Frank Urban.

The menu will consist of country baked ham, Swedish meat balls and a table filled to overflowing with relishes, salads, vegetables and desserts.

LAKE VILLA BAND: This is the Lake Villa Grade school band as it played during the Band festival in the school gymnasium on a recent evening. The festival featured music by bands from three or four other schools and a mixed chorus from Grant high school, plus sale of many goodies by members of the Band Parents association. The festival starting about 1 p.m. lasted until late in the evening and was attended by large crowds. Directing the Lake Villa band was its leader Thela W. Rush.
